Materials Handling & Pkg. Engrg.

Re: Your 8/9/78 letter  
attached

Gentlemen:

We have answered your request as shown.

We do not have Material Safety Data Sheets on these products.  
These products do not meet Rule 66 solvent requirements. They  
are, however, exempt because of their small size.

Sincerely,

FULLER-O'BRIEN DIVISION  
The O'Brien Corporation
